

FOOD AND DRINK POLICY

The Marion Community Library strives to create a welcoming and comfortable environment for its patrons. As part of fostering that environment, the library has adopted the following food and drink policy:

Drinks

- Non-alcoholic drinks in closed, sealed containers with a lid are permitted only in the meeting room area. Red, blue, or purple drinks are not allowed.
- Alcoholic beverages may not be served or consumed on library premises.

Snacks

- Snacks (crackers, chips, nuts, etc.) are permitted only in the meeting room area.

Library approved events

Library administration may approve special events during which exemptions to the food and drink policy may be made. Prior approval from Library administration must be sought for any exemptions to the food and drink policy.

Waste disposal and cleanup

Please clean up and dispose of all food waste, beverage containers, wrappers, etc. in a designated waste bin when you leave. Spaces should be left clean. Notify library staff of any spills. Providing a clean and pest-free environment is an important part of the library's preservation program.

Food and drink policy violations

Library users who are not complying with the library's food and drink policy will be notified of the policy and asked to abide by it. Users who fail to abide by the policy will be asked to relocate to an appropriate space or leave the library.
